## Corrigendum to the 2021 European Solidarity Corps Guide

*In case of discrepancy between language versions, the English text will prevail.*

# CORRIGENDUM TO THE 2021 EUROPEAN SOLIDARITY CORPS GUIDE

The Corrigendum comprises changes related to:

- partner countries in the following chapters:
  - Volunteering projects: What are the eligibility criteria for volunteering activities
  - Volunteering teams in high priority areas: What are the criteria used to assess projects?
  - Quality label: What are the criteria to assess the Quality Label?
  - Support to learning: Training and Evaluation Cycle
  - Other important features: visa and residence permits

In all above mentioned cases, a reference to the partner countries neighbouring the EU has been deleted attributing the context to all partner countries - both those that are neighbouring the EU and EFTA countries (Norway).

All the changes above are reflected in the version 2 of the 2019 European Solidarity Corps Guide, available on the European Solidarity Corps portal.

### SUPPORT TO LEARNING: TRAINING AND EVALUATION CYCLE

The phrase “neighbouring the EU” has been deleted.

#### TRAINING AND EVALUATION CYCLE FOR ORGANISATIONS – HOW DOES IT WORK?

The Training and Evaluation Cycle for organisations consists of the following:

- training for organisations having been awarded recently the Quality Label;
- an annual event for organisations holding the Quality Label.

National Agencies are responsible for organising such trainings for all organisations holding a Quality Label in their country. For organisations in partner countries ~~neighbouring the EU~~, the relevant SALTOS are the ones in charge. NAs/SALTOS may decide not to organise such trainings if other instruments are in place to ensure monitoring and quality implementation.

National Agencies / SALTOS can opt to delegate all or some of the sessions to subcontractors. However, the NAs/SALTOS should remain involved in the sessions as much as possible and keep regular contact with the trainers.

Organisations holding a Quality Label are recommended to attend these sessions.

### OTHER IMPORTANT FEATURES: VISA AND RESIDENCE PERMITS

The word “neighbouring” has been deleted.

### VISA AND RESIDENCE PERMITS

Participants in European Solidarity Corps projects may need to obtain a visa for staying abroad in or coming from a ~~neighbouring~~ Partner Country hosting the activity. It is a responsibility of all the participating organisations to ensure that the authorisations required (short or long-term stay visas or residence permits) are in order before the planned activity takes place. It is strongly recommended that the authorisations are requested from the competent authorities well in advance, since the process may take several weeks. National Agencies and the Executive Agency may give further advice and support concerning visas, residence permits, social security, etc. The EU Immigration Portal contains general information on visa and residence permits, for both short-term and long-term stays: [https://ec.europa.eu/immigration/node\\_en](https://ec.europa.eu/immigration/node_en).
